

**Stop looking for a job!
Build a career that counts...**

Open the door to a better future

Are you great with numbers?
Then bookkeeping could be your dream job!

Small businesses today are crying out for skilled
accounting staff more than ever before.

As a professional bookkeeper, you'll:

- Be in constant demand by employers looking for the best business talent.
- Gain countless opportunities to secure long-term employment.
- Boost your earning potential, where the sky really is the limit.

Why be a run-of-the-mill applicant when IAB qualifications give you the edge?

Take the first step on your career path, visit www.iab.org.uk to find your nearest training centre.

Bookkeeping and payroll training to help you get ahead.
