

**Health Advisory # 2 COVID-19:
Update on ACCA and CAT June 2020 Examinations**

Dear Students,

In view that the ACCA examination for June 2020 has been cancelled, you have the following options:

1. You can defer your classes immediately to July 2020 intake without incurring additional tuition fee and sit for the December 2020 examination; or
2. You can have the option to continue with your studies via online teaching all the way up to before commencement of revision classes and defer your revision classes. Sunway College Kuching will conduct the revision classes in July and August getting you well prepared for the September 2020 examination. You do **not** have to pay additional fee for the revision classes.

Option 1) and 2) are applicable to all ACCA students and CAT FTX and FFM students only. Students who are under CBE ON DEMAND EXAMS (FA1 to FMA) will continue to be taught and guided till end of the semester and we will decide their examination dates after Movement Control Order has been lifted and Face to Face session has been conducted.

Enclosed copy of the deferment form and kindly state either option 1 or 2. Please send your completed deferment form to doreentan@swck.edu.my or christinenaja@swck.edu.my by 6th April 2020. **If we do not receive your deferment form on 6th April 2020, you will be opt in as option 1 by default.**
