

Health Advisory 6 COVID-19

Commitment To A Safe Campus

Dear Diploma Students,

Welcome back to a brand new June semester.

Sunway College takes student and staff safety, health and well-being seriously. We are aware and actively monitoring developments regarding the Novel Coronavirus (COVID-19), and keeping abreast with all advisory notices and recommendations from Malaysian health and education authorities issued from time-to-time. In view of **Ministry of Higher Education guidelines and standard operating procedures all classes will still conducted online until further notice.**

We thank all for your support, cooperation, and understanding as we navigate this complex situation together. We will provide updates on any new developments and all precautionary measures taken on our social media platforms and this website. It will be reviewed from time to time. In the interim, do remain vigilant, be mindful of your surroundings, and may everyone stay safe and healthy.

Thank you
