

Health Advisory 7 COVID-19

Postponement of Face to Face Classes

Dear Students,

Reference is made to our email to you dated 2nd October 2020 pertaining to commencing face to face classes in October. However, we recently received a circular issued by Kementerian Pengajian Tinggi dated 2nd October 2020, proposing all face to face classes in October to be postponed until further notice. Please find attached a copy of the circular issued by Kementerian Pengajian Tinggi for your reference.

We decided to postpone all face to face classes (except those classes which requires the use of computer laboratory) until further notice. We apologised for any inconvenience caused.

We thank all for your support, cooperation, and understanding as we navigate this complex situation together. We will provide updates on any new developments and all precautionary measures taken on our social media platforms and this website. It will be reviewed from time to time. In the interim, do remain vigilant, be mindful of your surroundings, and may everyone stay safe and healthy.

Thank you

Joseph Lim Jit Sek
Chief Executive Officer
Kolej Sunway Kuching
