

SUNWAY DIPLOMA PROGRAMMES

The Jeffrey Cheah Foundation

The Jeffrey Cheah Foundation (JCF) awards scholarships to outstanding students who plan to earn an undergraduate degree from an accredited institution of higher learning. Besides helping to address the financial needs of marginalised and disadvantaged students and help them gain access to quality higher education, scholarship recipients are also guided through the process of higher learning, to be molded into dynamic leaders and innovators.

Launched in 2010, the Jeffrey Cheah Foundation is Malaysia's largest education-focused social enterprise. Through the unique not-for-profit structure of the Foundation, operating surpluses are ploughed back into the institutions or disbursed as scholarships, research grants, and expansion of faculty and facilities to ensure sustainable and quality education.

In 2018 alone, the JCF has disbursed RM72 million worth of scholarships to more than 3,000 students, and to-date, the Foundation has awarded a total of RM570 million to thousands of deserving students.

For more information on our scholarships and how to apply, contact info@sunway.edu.my.
